The New Operator Qualification Rule: Making Pipelines Safe Sensibly, *May*, p. 27

**C**HESAPEAKE UTILITIES CORP. has appointed **Cynthia S. Small** communications manager.

CMS Energy Corp. has named **Tamela "Tami" Pallas** president of its energy marketing unit, CMS Marketing, Services and Trading, and **Anna V. Cochrane** federal regulatory affairs director. **Philip E. Lewis** has been appointed plant manager of the Grayling generating station.

**Milton Scott** has joined Dynegy as senior vice president and chief administrative officer.

**Patricia Shelton** is now president of El Paso Natural Gas Co., replacing now-retired **Richard Baish**.

Empire Comfort Systems has appointed **Colleen Newlin** marketing manager and **Dave Christensen** director of engineering.

**Patrick A. Seamands** has joined Laclede Gas Co. as chief engineer. **Sandra A. Brown** has been promoted to director of employee benefits, **Michael T. Cline** to director of tariff and rate admin-

istration, and **Douglas J. Keil** to district superintendent.

**Gary J. Wolter** has been named president, CEO and a member of the board of directors of Madison Gas and Electric Co. Wolter succeeds **David C. Mebane**, who retired January 31. **Mark C.**

**Williamson** is now executive vice president and chief strategic officer; **Ronald L. Semmann**, executive vice president; **Lynn K. Hobbie**, senior vice president; and **Thomas R. Krull**, group vice president.

PG&E Energy Trading has named **J. Scott Biscoe** and **Thornton L. House** account directors and **Robert P. Culler** account director, marketing for its Midwest natural gas trading operations. **Tom G. Clark** has been named asset management director for the East region, **JoAnn P. Russell** assistant general counsel, and **Lee J. Hanson** has been hired as vice president of program management for PG&E Energy Services.

**Lawrence Codey**, president and

CHRISTENSEN

SEAMANDS

WOLTER

COO of Public Service Electric and Gas Co., will retire at the end of February. **Alfred Koepp** will succeed Codey.

**Charles Bisciegia** has been elected chairman of the board of South Jersey Industries Inc.

UGI Corp. has elected **Anne Pol**, a senior vice president of Thermo Electron Corp., to its board of directors.

Waukesha Engine Division has appointed **William M. McCormick** vice president, engineering and **Lloyd S. Beauchamp** vice president, sales.

**Murry K. Staples** has been elected president of R.M. Services Inc., an unregulated subsidiary of Yankee Energy System Inc. AGA

### STORAGE, GAS

Facts on Gas: *April*, p. 68; *Aug.*, p. 36; *Dec./Jan.*, p. 36; *Feb.*, p. 36; *July*, p. 36; *June*, p. 36; *March*, p. 44; *May*, p. 36; *Nov.*, p. 36; *Oct.*, p. 36; *Sept.*, p. 36

Positive Storage Outlook Could Boost Gas Equities, *Nov.*, p. 13

### SUPPLY, GAS

Decline in Low-Producing Wells Slows, *Dec./Jan.*, p. 8

Natural Gas Resource Base Continues to Expand, Report Shows; *June*, p. 10

NPC Gas Committee to Reassess 1992 Study, *March*, p. 11

Prices, Earnings Key to Determining E&P Budgets, Survey Says; *Nov.*, p. 10

Shining a Spotlight on Reliability, *Oct.*, p. 5

Shut-in Gas Wells May Power New Projects, *Aug.*, p. 13

The List: 5 Common Misconceptions About Natural Gas, *June*, p. 36

### TAXES

Curbing Urban Sprawl, *Nov.*, p. 7

New York State Imposes Sales Tax on Gas, Electricity Delivery; *April*, p. 9

Pennsylvania Passes Natural Gas Choice and Competition Act, *Aug.*, p. 11

Taxing Issues, *April*, p. 17

### TECHNOLOGY, see also INFORMATION SYSTEMS

Can You Keep a Secret?, *Nov.*, p. 17

Cold Comfort: Keeping Cool Without Wasting Fuel, *July*, p. 24

Countdown to Y2K: *Feb.*, p. 10; *June*, p. 10; *March*, p. 18

Distributing Power in the Future, *July*, p. 16

Gas Industry Can Conduct More Business in Cyberspace, *July*, p. 7

Gas Utilities Join Race to Digital Future, *June*, p. 9

GRI Honors Firms for Promoting New Technologies, *July*, p. 13

Key Date Passes Without Incident, *Oct.*, p. 10

Policy Matters, *Sept.*, p. 17

Poster Gives Students Natural Gas Technology Picture, *Nov.*, p. 11

Power to the People, *Dec./Jan.*, p. 26

Regulatory Filings Go Electronic, *April*, p. 57

Tapping the Distributed Generation Market, *Aug.*, p. 9

Tech Talk: Communicating with Customers Goes High Tech, *April*, p. 54

The Hydrogen Economy: Not Just Hot Air?, *Dec./Jan.*, p. 28

**UNBUNDLING, see CUSTOMER CHOICE; RESTRUCTURING, ELECTRIC INDUSTRY; and RESTRUCTURING, GAS INDUSTRY**

### VEHICLES, NATURAL GAS-POWERED

Arizona NGV Incentive Program Could Rev Up Sales, *Sept.*, p. 9

Arizona's Incentives for NGVs, *Sept.*, p. 9

Cities Win \$1 Million in Funds to Promote NG, *Aug.*, p. 12

Gas-to-Liquids Process Gets Boost from Alliance with Chrysler, *Feb.*, p. 9

The Drive to Cleaner Air, *June*, p. 7 AGA
